Dear BR Girl,

This year you have the opportunity to do something very special. BR girl's have the opportunity to receive a BR Ring. It is a sterling silver ring with the BR brand engraved on the top that you have heard so much about. Many of you have asked how to get a ring, here's how.

We do not sell the BR Ring. You must earn a ring and only BR girls are eligible. Which means you must first enroll for a camper session at BR, then you must fill out a ring list correctly and submit it, next and most importantly you must attend and complete your camper session at BR. Once you have achieved these goals you will receive your ring at the last campfire ceremonies.

The ring list includes the name, addresses, and age of 25 girls whom you would personally recommend becoming BR girls. We will mail them information about the BR. We will NEVER share, sell, or make this information public.

It is fun to share with your friends so that they can also enjoy a fun and exciting summer experience like you—so here is your chance to tell your friends about BR just as someone helped you to find Black River.

Your list must be returned prior to your arrival at camp. You can find a ring list template in the forms section of our website. Please type the list in excel and email the file with the subject: "BR ring list attached" to forms@blackriverfarmandranch.com.

We look forward to presenting you with your own BR Ring at our last campfire ceremonies.

Good Riding Always!
